BOND

THE ART OF BONDING
WITH YOUR HIGHEST SELF

SOLVENTLESS.
PURE.
INTENTIONAL.

Crafted from 100% live rosin
and nothing else. No additives.
No cutting corners. Just purity
you can feel.

Logo System

Logo Usage

Clear Space

Minimum Size

Do Not

- Stretch
- Add shadows
- Use neon colors
- Place on busy image

USAGE PRINCIPLE

The Bond logo should feel quiet, confident, and expensive. Avoid decorative treatments that make it feel trendy or gimmicky.

Color Palette

MATTE BLACK

#0C0C0B

DEEP CHARCOAL

#21211F

SOFT GUNMETAL

#676D71

HONED LIMESTONE

#E8E2D8

FOREST GREEN

#14342A

COLOR RULE

Use black and charcoal as the foundation. Stone and limestone create warmth. Forest green should be an accent, not the main character.

Typography

PRIMARY DISPLAY

Georgia / Luxury Serif Placeholder

Use for the wordmark, large titles, product numbering, and elevated editorial statements.

SECONDARY SANS

Aptos / Clean Sans Placeholder

Use for labels, body copy, specifications, packaging details, and practical product information.

TYPE SCALE

BOND

SECTION TITLE

Subhead / Descriptor

Body copy should stay concise. One idea per line. No dense paragraphs.

MICRO LABEL

Product Images

Retail + Display

Retail should feel closer to a luxury fragrance counter than a traditional dispensary shelf.

POINT OF SALE EXPERIENCE

Voice + Messaging

VOICE

Quiet confidence. Refined. Sensual.
Intelligent. Never loud.

SAY

- Bond with focus.
- Pure solventless live rosin.
- Crafted for the moment.

AVOID

- Stoner jokes or lazy language
- Tie-dye / cartoon energy
- Overpromising effects

CAMPAIGN PLATFORM

BOND WITH... focus / creativity / your people / the moment / your highest self

PACKAGING RULES

Minimal front. Product number first. Experience name second. Compliance information should be organized, not visually dominant.

Social + Digital

SOCIAL DIRECTION

- Moody texture
- Architectural shadows
- Product numbers
- Short copy
- No loud cannabis tropes

Use the feed like a fragrance campaign: detail, atmosphere, confidence, restraint.
